**MISSIONS CORNER**

We survived! At times the task looked too big and our time too short, but God answered your prayers by bringing people to help us and make it possible to finish before the flight left! Praise the Lord that God gave us a chance to see disciples mature to the point where they want to reproduce. We also praise Him for the friendships that we have been able to make. It was extremely hard to say our “Good Byes.” We ask you to pray with us that God will honour Leoncio and Cristian's efforts and set ablaze the many churchless villages with the gospel. Also that the legal entity for the Library/Radio will very soon be passed by the government. Pray that we will now be able to switch gears as we enter into more support raising and visitation in the following months. Our attention is now on training with Team Uruguay and working toward all being on the field by October 10th. Pray that God would raise up people to support the other three families of Team Uruguay.
