MISSIONS CORNER . . .

Gord & Carole Sawatzky

Hello from "inside" - we arrived at our final destination last Wednesday late afternoon. We flew from Winnipeg to Toronto to Dubai to Nairobi to Entebbe, Uganda over a 72-hour period, with a few glitches that God worked out along the way! A few hours later a young couple from the US joined us. After a week in Kampala, we headed up-country by bus to Kitgum, shopped for supplies, then came the rest of the way in (the 2 ladies) and on the top of a load on the back of (the 2 men) a big truck! While we are here for the next 3 months our email access will be somewhat limited, and the connection is rather slow. We will generally check for messages 2-3 times/week. Please help us by abiding by the following guidelines: Use plain text, not HTML or rich text. Do not send forwards or jokes. Do not send large pictures; reduce the size substantially so they don't block further messages from coming in. Do not include our messages to you when you write us. Your total message/text and pictures/attachments should be limited to 100KB in a single message. We DO want to hear from you, what's happening in your lives, and what the Father is teaching you. (If you are interested in text messaging us via a website let us know and we'll send you details)
