Fall Emphasis

This summer, as time affords, read through the Gospel of John. Our aim beginning in September is to walk through this book over the next eight months, ending with a dramatic Easter 2011 Presentation.

THANK YOU

We would like to thank the church for praying for Karen Friesen. After an assessment the doctors were amazed at how she is healing. 90% of people with her type of injuries never walk again, but the doctors are confident that she will. Thanks for all the prayers on her behalf.
