**Missionary Update
Central Asia**

For starters, our flights were considerably better than last time. The boys have had some sick times but are settling in and beginning to enjoy themselves. T*bin, as well as Tr.ce and we ourselves, have been dealing with Giardia, a stomach ailment. A is presently "under the flu". I, [D], have been able to greet all my acquaintances and connect with friends and co-workers. Just getting a new program of classes started. There is also maintenance to catch up on in the house. An earthquake was felt Thursday night but no damage. Pr*y for good relationships with workers and neighbors, a quick transition into local life, and for peace in the upcoming election. We thank you all for "remembering" us.
