MISSIONS CORNER

Missions Corner
Jason & Pamela Klassen

You could say that technically we are "missionaries-to-be", so we wanted to share about our journey to this place. In May 2009, in inner city Winnipeg with the sr. high mission team, God worked in our hearts and began to change our world-view, opening our eyes to a world in need of the love of Christ. When we joined the Mexico team in July, again we were amazed by the power of God working through sinful humans like us. As a couple we experienced more peace and contentment in those 3 weeks than we had ever felt in the 6 years prior; it was then that we knew God wanted us in missions. In the past 7 months we have been working toward finding God's place for us overseas, praying for wisdom, and connecting with organizations. We appreciate the faithful prayers of our friends, all the sr. high kids, and the church body. More importantly, we're thankful to Christ for being patient with us, working through our selfishness, and bringing us into his perfect plan for our lives.
